

REMARKS

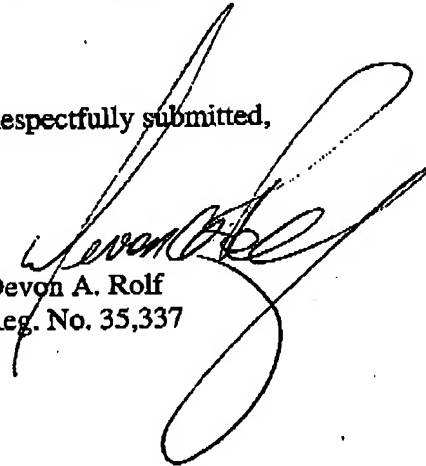

Claims 1-33 are pending in this application and stand rejected based on a judicially created doctrine of obviousness-type double patenting on U.S. Patent No. 6,751,552 B1.

A terminal disclaimer is provided hereto to obviate the double patenting rejection.

Applicant is also submitting an Information Disclosure Statement citing references from the parent application.

The Commissioner is hereby authorized to charge the terminal disclaimer fee in the amount of \$130, any IDS fees or additional fees that are required, or credit any overpayment to Deposit Account No. 501-791.

Respectfully submitted,

Devon A. Rolf
